Charts and Maps

The following links are Microsoft PowerPoint Presentations that describe various facets of Pennsylvania's agriculture.

They include demographics from the Census of Agriculture, which is done every 5 years, and annual statistics for major commodities grown in Pennsylvania. The slides are updated monthly to capture the latest published statistics. A reference date is shown on the bottom of each slide.

Download time? Please note that download times vary for each PowerPoint File. They can range from 10 seconds to 5 minutes depending on your computer processing speed and internet connection.

Left or Right Click? A left or right click may work better depending on the setup of your Internet software.

- o Dairy (updated Aug 2006)
- o Demographics & Economics (updated Sep 2006)
- o Field Crops (updated May 2006)
- o Livestock and Poultry (updated Apr 2006)
- o Specialty Crops (updated Aug 2006)
